the stage of Bristol auditorium at Old Rochester Regional High School on Saturday night in the annual pageant. As winner of this crown, Linda will be eligible to compete in the Massachusetts Miss Junior Miss contest to be held next January in Hyannis.

The pageant attracted a large audience and contained a contingent of Old Rochester students. The choice of one of their classmates was a most popular one among all.

Linda performed a dramatic monologue in the talent competition. She intends to study theater after graduation from Old Rochester. Although she did not display her musical talent on Saturday, she has a very pleasing voice. Linda is the current Miss Cranberry Bowl, until Saturday when the Cranberry Bowl champion will be decided on the football field of Old Rochester and Linda will crown her successor at the Ball Saturday night.

Susan Atwood was named first runner-up.

Mattapoisett Grange

Mattapoisett Grange held its bi-monthly meeting last Thursday night with the worthy master Susan LaFleur presiding. Honored guests were Mrs. Edna Handford, a member of the State Home and Community Service Committee; Herbert LaFleur, master of Sippican Pomona; and Roland Morris, master of Fairhaven Grange.

Mrs. Handford announced different projects for the men and women with the Health project being the Cancer Fund. Collections towards this fund were started during the report of the Home and Community Service chairman, Olive Gifford. She also urged the support of the members to assist in raising more money towards the bandstand fund. She had one of the chairs on exhibition which she is anxious to retain, showing the Grange had a part in this community project.

The Master announced that memorial flowers will be placed on the altar of the Congregational Church on a Sunday in December for Mrs. Ruth Tinkham, a 65-year member of Mattapoisett Grange who recently passed away.

The lecturer's march was won by Mrs. Roland Morris. The next meeting, November 19th, will be in charge of the Grange youth with Mrs. Christine Day as chairman.

For the lecturer's program after the meeting, words just can't express the breathtaking beauty of the slides of the trip that Mr. and Mrs. William Smith shared with the members and friends of Mattapoisett Grange. Especially the portrayal of the Passion Play they attended in Oberammergau, Germany. The acting of all the people who took part in the play was certainly perfection. It certainly is a memory that Mr. and Mrs. Smith will hold forever. Seeing the slides with the wonderful narration given by Mr. and Mrs. Smith will also be a treasured memory for those attending. There were also slides shown of other parts of their trip.

Guests were present from Fairhaven, O-Ne-Set, Acushnet, Rochester, Marion, West Wareham, New Bedford and Pine Rock Grange of Oregon, Illinois.

Coming: Charley's Aunt

"You see, I have a problem - I have an aunt."

"My dear Charley, most of us do."

So remarks Jack Chesney to his friend Charley Wykeham and so starts the comical play, "Charley's Aunt". The two boys take advantage of Donna Lucia's arrival to invite the girls they admire to meet her. Likewise, the Looking Glass Players of Old Rochester Regional invite you to travel back to England to the 1890's with them as they get to know "Charley's Aunt" (who's "from Brazil - where the nuts come from.") The leaders of this expedition will be Richard Helfand, who plays Charles Wykeham, and his two cohorts Steve Whitney and Mark Harris. Steve portrays the love-struck Jack Chesney and Mark is the irrepressible "Babs", otherwise known as Lord Fancourt Babberly, who is conned into impersonating Donna Lucia when Jack and Charley find she is going to be late. You'll find her a charming lady, even if her trousers do show beneath her skirt occasionally. So come to the Old Rochester Regional High School auditorium on November 20th for a delightful voyage back in time. Remember, the boat leaves at 8:00 P.M.

FORAM's Future

FORAM TO HOLD ORGANIZATION MEETING

Friends of Old Rochester Arts and Music (FORAM) will meet for the first time this school year on Tuesday, November 17th, at 8:00 P.M. in Room B.124 at the high school. This gathering is for the purpose of discussing FORAM's future, its possible programs and to exchange ideas on the setting up of FORAM's structure for 1971.

FORAM President Charles B. Dunn of Mattapoisett explains: "the area of FORAM participation is in support of the activities of the High School Music, Art and Drama Departments. The way we support is open to discussion and improvement. The general answer for anyone who is trying to be a friend, is to support fully and quietly when there is a need, and to avoid being a nuisance. What we can accomplish this school year will depend entirely on how many friends are willing to help."

Mr. Dunn has arranged for the distribution of newsletters, describing FORAM's initial meeting, to potential friends, via student members of the school's Music and Drama Departments. If you did not receive one of these special letters, Mr. Dunn requests that you regard this announcement as your personal invitation to meet in O.R.R.H.S. Room B.124, at eight o'clock, the evening of November 17th, to assist the planning of FORAM's future.

Electronic Election

CONTROL BY PREDICTION Editorial, D.C.J.

Free elections in the United States are now in serious jeopardy. Television commentators may well be steering elections while they are still in progress. While the polls are open and voting is in progress for up to a period of 4 hours, the effect of TV commentators predicting victory for candidates on the basis of 1% to 3% of the returns is highly dangerous. In at least one instance in the Tuesday election, viewers heard a winner projected in Ohio on the basis of no returns at all. This outrageous practice is the result of over eager coverage linked to computers. It subverts the Free Election for no good reason. While the polls are still open for another hour on the East Coast, victory is declared in national and state contests. The impact multiplies by 2 hours, 3 hours and 4 hours

across the nation. On the basis of a minute fraction of the vote, all from voting machines, the election is "wrapped up" before millions of citizens participate. These voters are led to believe that they might as well not vote at all or, if they do, they might as well climb on the bandwagon.

There is no evidence of political balance among people who control television. The view is from the left and this view is expounded in every TV talk show, every TV news broadcast and every documentary. There are laws against partisan influence at the polling places. By law, a voter may not be approached by a party worker within a designated distance from the polls. It is time to consider bounds for an influence far more dangerous.

Legislation should be introduced immediately to prevent TV coverage of election results before the polls are closed across the country. Certainly the viewer would not suffer. It would be a relief to remove the endless, inane comments that fill the time between the predictions.

If we are to protect the integrity of our elections, we must draw a line on contemporary influence by electronic prediction. TV shouldn't report elections before they happen. TV should report on the result of the vote after the humans have made the decision.

Cranberry Bowl, Ball

On Saturday, November 14th, the annual Cranberry Bowl Football Game will take place on the athletic field of Old Rochester Regional High School between Wareham and Old Rochester football teams. This annual event is always a well-played game by both teams as they compete for the winning of the Cranberry Bowl which is now resting at Wareham High School.

Previous to all this, the students have selected three young ladies to represent their respected schools in the annual Miss Cranberry Bowl Pageant. These girls are all Juniors and will be presented to the public on Saturday night at the dance and Pageant. They will also be judged by an impartial panel of judges who will select the new Miss Cranberry Bowl for the ensuing year. These six girls were presented at the Wareham's Junior Miss Pageant held last Saturday night and they also acted as ushers for this gala event.

From Wareham High School, Joan Balkus 16, is a cheerleader, member Code Club,

"Sno-Ball" Rolls!

REMEMBER DECEMBER 5th

Excitement is building in Mattapoisett, Marion and Rochester over the December 5th Sno-Ball as people inquire and discuss it wherever they meet. Joe Ponte's musicians are shining and tuning their instruments, Ethel Sylvia and Polly Mort are gathering the ingredients for their refreshments, and a team of greens and feather pickers are working on the decorations. Chairman "Chuck" Ganzel is delighted with the response he is receiving as he goes about wearing a colorful red and white ticket in his lapel. Pre-ball cocktail and dinner parties are being planned and ladies are

Fellowship Activities

REPEAT PERFORMANCE FOR MATTAPOISETT YOUTH

Continuing a special program initiated last year, the Teen Fellowship of the Mattapoisett Congregational Church is planning another Pilgrimage to the East Rochester Congregational Church this Sunday, November 15th. As established last year, this uncommon Pilgrimage is for the purpose of the Mattapoisett youth to share worship and friendship with their Rochester neighbors. They will conduct the regular 11:00 A.M. Sunday Morning Worship Service at the Rochester Church and immediately following the service, will host a social hour of refreshments and fellowship in the church vestry.

With the assistance of club adviser, Mrs. Charles B. Dunn, Worship Leader David Peterson has arranged the church service which has for its theme: "Interaction Between Fellowmen". Sharing the pulpit with David for this unique service will be Lisa Saether, Jeff Dunn, and Gail Roberts. Organist will be Richard Helfand, with special musical selections being arranged by David, Richard, Lisa and Jeff.

Refreshments for the Fellowship Hour are under the direction of Kim Almeida and Mrs. Dunn, assisted by Cindy Roylance

SADNESS IS SOME THING GONE FOREVER

Every home is a collection of treasures, replaceable at great expense or irreplaceable at any price. There is no sadder day than the morning after the thief has left. You can protect your home against the ever mounting threat of robbery. Professional thieves can be stopped by a professionally installed alarm system. What the hoodlum fears most is noise that will attract attention and increase his chance of being caught. Many homes in this town are now protected. Some are wired directly to the police station where they are monitored 24 hours a day.

Benco Security Systems is your most experienced designer of alarm systems. We are consulted by banks, credit unions, department stores, school systems as well as private homes and have designed systems for all of these clients. We employ bonded, trained technicians and maintain 24 hour service in unmarked vehicles.

There are alarm systems in a wide range of prices to fit a great many different needs. Complete installation can be made within 2 weeks. We invite you to phone us or stop in at our modern showroom to discuss your needs. It may well be the best few minutes you'll ever invest for the peace and security of your family and the safety of your home and belongings.

If you have a neighbor with a system, ask him about it. The chances are that it was installed by Benco because we are one of the oldest, most experienced companies in this area. Service is important. We know it and are proud of ours.
